This pamphlet contains the federally required disclosures and quotations of our professional fees. We have carefully prepared this General Price List of service descriptions, and it substantially exceeds the requirements of the Federal Trade Rule. However, if it does not contain an adequate explanation of our services, your arrangement options, or limitations. Naturally, we expect to explain all the required disclosures and discuss with you those items applicable to your individual needs and wishes.

Beyond any printed or spoken word, we offer you our reputation. It is a reputation based on our personal promise to provide you with "Service From Our Hearts". It means that our earnest desire is simply to serve you in the same way that we would wish our own families to be served if the positions should be reversed.
