“ *So unfortunate. She was a dynamo in high school and was starting over here while helping her family out in a time of need. The NC community lost a contributor.*

I wish I could've helped her more.

“ *I am so very sorry to hear of Beth's passing. We grew up on Banner together and rode the same bus for years and years. We were not friends but I remember vividly her bus stop at the end of the day and her mom was ALWAYS there. I always thought how lucky she was to meet her mom right off the bus each day. I Had not seen Beth since high school I'msure. She will always be that beautiful little girl to me. e*

“ I was a teenager staying with my Aunt Jan and Uncle John when little Beth came into the world. Many times I would touch Aunt Jan's tummy to feel Beth move and kick. She was an active little baby. We couldn't wait to see if the baby was a girl.

The night she was to be born I painted Aunt Jan's toenails and we waited excited for what was ahead. After a long night the most perfect little girl took her first breath. Little Beth came into our lives with a beautiful face and a charming personality.

I watched her learn to crawl then walk then run! I grew up and moved away but never have I forgotten that precious little girl, that grew into a beautiful young woman. Beth was Aunt Jan's best friend and she is loved by us all.

Aunt Jan, Uncle John, my heart just brakes for you both. I can't imagine what you are going through. Please know, I love you. If I could take this "cup" from you I would. Isaiah 40:10,13. I know you have hold of Jehovah's hand and the "God of all comfort" will stay with you.

Please call if I can help, I am only a flight away. I want to help and be there in any way. You both saved a young teenager and gave me love. Never will you be out of my thoughts and prayers.

Much love, your niece, Tracy Fields

“ Dear John and Jan,

We've lost a beautiful, smart and sweet personality I was honored to work with 10 years. Her contributions will be remembered always in my heart and mind. My deepest love and sympathy goes out to a wonderful family during this challenging time. May peace prevail and make us stronger.

I was greatly affected with her talent, quick wit and sharp intellect, love for music and taste for great food! Her brilliance will always remain in my memories.

With love,

*Bob

“ Mr. and Mrs. Taylor,

I went to high school with Beth also, and we even had a class together at Sierra College. I remember her easy smile, and the kindness that she radiated; I remember her confidence and poise, and I remember her tremendous inner strength. May your own warm memories of her comfort and keep you at this difficult time.

*Wishing you peace,
Christine (Stanley) Horton*

“ Mr and Mrs Taylor, Beth and I went to Seven Hills and Nevada Union together. What I remember most is her loving spirit and unfailing kindness. She was a lovely addition to this world and will be missed.

“ Hello Mr. and Mrs. Taylor, I'm not sure if you remember me, but I remember you both, and Beth as well, with fond memories. I am Nora's granddaughter, and Beth and I spent quite a bit of time together as very young girls... My childhood bible is full of my 5 year old drawings of two girls holding hands- one is always titled "Beth". I am so sorry for your loss... It was an honor to know her; I have always admired her kindness, faith and many talents. I hope that your faith in the truth is bringing you comfort.

You are in my thoughts and prayers.

With Sympathy,

“ *Hello Mrs. and Mr. Taylor - I too was a classmate of Beths and was shocked to hear the news of her passing. I saw in the paper a 43 year old female and hoped to god it was not one of our classmates. I am so sorry for your loss and as Priscilla mentioned, I remember Beth being so faithful to her religion when we were young, a quality you instilled in her. I always remember Beth as a kind, loving, fun, happy, always "put together" beautiful young girl. We went to school for as long as I can remember - and those friendships we were young, I am forever grateful for. The Class of 1990 remembers Beth, sends you love and holds you up during this difficult time. Sending you love and strength. Kathryn (Baker) Boswell*

“ Hello Mr Taylor and Mrs Taylor - I'm not sure if you remember me but Beth and I were best friends in middle school. I remember fondly many fun days spent at your house and lots of fun sleep overs. I remember getting ready for a dance at your house and how much fun you made it for both of us. I specifically remember you taking Beth and I to a concert at Kingdom Hall. I know that your faith was very strong in your family. I can not imagine loosing your only daughter. I pray that you hold tight to your faith during this difficult time. Love Priscilla Wright
