I met Anna many years ago when she was about 18 years old and I always loved her very much! She had a fun, loving Spirit! I was a few years older then Anna. I had my daughter on Anna's birthday and Anna never forgot that. When my daughter was about 3 years old Anna stayed with us for a short while and helped babysit for me! I will always remember her funny, loving, personality and she will always be in my heart! ❤️
