“ I will always miss you Dad! It hurts so much not being able to say goodbye but I know you are somewhere up there riding your Harley! I love you and I hope that i can always make you proud and carry you in my heart no matter where I go I know you are with me and watching over me pops. Watch over me and my brothers please Dad! Tell my cousins Hi and that I love them! I'll miss you Daddy!

“ So many memories come flooding back. I know Carl & Corey were there waiting for you with open arms. Thank you for always being there for me. I am so sorry for all the suffering you went thru. My little brother went to Viet Nam--and a stranger came home. Tears are falling and can't hardly see the keyboard--so will say bye for now. See you when I get there. Your big sis Connie
