

Beverly Ann (Boelman) Wubbena

March 5, 1942 - October 7, 2019

Our precious mother was born at home near Wellsburg, Iowa to George and Helen Boelman, and she passed away in Grass Valley, California, of what we believe, was a broken heart, after the recent death of our father, her husband Carlton Gene of 61 years, who fondly referred to her as “Bunny.” She grew up loving to ride her Shetland pony and playing tag with her brother and sisters. Beverly and Carl were married on July 31, 1958 and they had four children. Our mother was a hard workingwoman, owning and operating her own grocery store in Byron, California, for eighteen years. She battled breast cancer and most recently lung cancer, enduring chemotherapy and radiation. She loved the outdoors and living in the Sierra-Nevada mountains, that she called home since 2002. Our mom had a smile that lit up the world and we pray that our mom and dad are together, hopefully on their way out to a nice lunch and a fabulous car ride through the giant pine trees, that surrounded them. We love and miss you so much our Precious little Mommy. “Your wonderful Heart has stopped beating and Your beautiful Smile is at rest...God broke our Hearts to prove – He only takes the Best.”

Bunny was preceded in death by her husband Carl, her only son Marty J, her parents and sister Marjorie, her first born granddaughter Beckie and her grandson Josh. She is survived by her daughters, Cherie, Marla, Carla and Julie, and her granddaughters, Heidi, Cheryl, great-granddaughter Lillian, and great-grandsons, Kadin and Cassey, her sisters Caroline and Connie and her only brother Steve, and many nieces, nephews and cousins.

“May God Bless our Beautiful Mother and May the Lord watch over Me and
Thee while we are absent one from the other.”
