“ I met you during a difficult time, but you were working so hard to provide your sweet girl a stable along side your husband. The three of you touched me heart tremendously during that time. Haven was the sweetest prettiest baby girl that I ever saw. I am so sorry to hear of your passing. Your husband loved you so deeply and I will pray for him. Much love to your family.

This is her son Jonathan McBride. Her Eldest Son. You had no right to even be a part of the settlement. You left her when she needed you most. I want you to know that I loathe you with every fiber on my being. You don't deserve to call my mother your wife if you couldn't even support her. You only cared when she died bc you could get money to get you off your arse. You took my mothers ashes bc you knew it was the one thing that I would have left of my mother.
