

BRANT JAMES CALLAHAN

May 6, 1964 - May 10, 2017

Brant James Callahan died very unexpectedly and tragically on May 10, 2017 in Nevada County. He was born May 6, 1964 in San Francisco. From an early age, digital technology fascinated Brant and he worked for several technical firms, including Telestream in Nevada City. He played bass guitar and keyboards with musical friends and local bands. An avid gold miner, Brant owned and worked several claims in the Sierra Nevada.

He is mourned by his mother, Karen Callahan; brother Neal Callahan; sisters Mara (Daniel) Wagner and Rose (Kelly Bray) Callahan; sister-in-law Kelly Cole; and niece Lilianne Callahan. He was preceded in death by his father, William Callahan.

In May, friends and family gathered at Broadfork Farm in Peardale to celebrate Brant's life.

“ I just had a memory of Brant learning the tune "Giant Steps" on his Bass and thought I'd look him up after all these years. I am so sorry to hear of Brant's passing. This is truly a shock. I worked with Brant at K&K music in the early 90's. Brant was always a positive person and he laughed a lot. I will always remember his unique laugh. He brought a lot to the store in terms of humor and positivity. There was a time when we had an after hours jam at the store and Brant had set up the mixing board and sound system. He played bass for the whole jam. It was a memorable time. Seems like that was just yesterday. We were all fortunate to know him. My heart goes out to all of his Family and friends.

Rest in peace Brant, you are missed.
