“*Fabulous Bruce ... we only reconnected after 20 years and a few thousand miles a year before we all lost you forever. I thought that I had time to get back. I love you. -- Stephanie Bolchalk O'Neill, Palo Alto, Rhode Island, Minnesota*

“*I will always remember, so fondly, Bruce's dinner preparations and vino presentations when he was living in San Fran. And all our sumptuous feasts after the Bay to Breakers races in the early 2000s. A hilarious intellegent friend who was a joy to know and be around. Bruce -- I shall miss you, pal.
