“ You and I go back many many years my friend. I was very much saddens and broken hearted when I notified you had passed. May you be at peace and watch over your loved ones! Keep a cold one on ice for me. Till we meet again. Love you my friend. God Bless. Xoxo

“ We only recently met you, but you left a lasting impression on us. The last time we saw you, as I said goodbye, you put a friendly arm around me and said, "I'm glad you met me". I am, too. RIP and I hope someone will care for your beloved dogs.
