

Christopher Thomas Carver

December 16, 1969 - August 1, 2023

Christopher Thomas Carver, 53 of Grass Valley, California left this life on August 1, 2023 at his home from natural causes.

Chris was born on December 16th, 1969 in Oakland, California to Ed and Diana (Valencia) Carver, he was raised in Martinez, California and graduated from Alhambra High School in 1988. Chris was an athlete throughout his life, playing varsity football, racing motocross, riding bulls and bodybuilding.

Chris loved being a father more than anything, he loved attending his girls cheer and athletic events, his face would light up anytime he was with them or at the thought of him, he was always proud of how smart, outgoing and loving they are. Chris always encouraged his girls to live authentically and to be exactly who they wanted to be, he honored everyone in that way. Chris was the best big brother and a loving uncle, he was a genuine friend and built and maintained lifelong friendships, you could always count on him if you needed him. He really enjoyed spending time on the lake with his wife and friends or doing home improvement projects around the house as that came so easily to his creative mind. Chris was always the person who could make you laugh in so many different ways and was a comfort on the other end of the phone, brightening your day. Chris worked mostly in banking/finance but spent the last years of his life following his passion in horticulture at his home in Grass Valley.

Chris is survived by: His daughters, Profiera Lexa Carver (21) and Keeli Joyce Carver (12), his wife, Renee (Garcia) Carver, his sister, Jennifer Ryan Carver (his nephews; Brycen Robert Jacobson, Kelso Carver Jacobson and Sutton Antonio Zappa), his Mother, Diana L. Valencia, his brother, Eddie Carver, his Auntie Terri and (Paul) Knoke, his cousins Joe Terry, Tandra (Terry) White, Tanya (Terry) Guy, Lia Carver and David Carver, his uncle Robert Ludwig and his dog Zeus. Chris was preceded in death by his father Edgar Clarence Carver on July 2, 2021. #CarversRule
