

## Damon Connor

August 20, 2020

No obituary found for this tribute.

# Tribute Wall

“ Oh Damon. Our parents were together for a time when we were kids and we all lived together. You were like a brother. Even though we didnt talk much, I cherish the memories. We rode dirt bikes together, got picked up from school early to go to Boreal and ski or snow board, and spent many a night watching Beavis and Butthead on MTV. I wish we had kept in touch. I love you bro.
