My name is Scott Bryant Bracken. Please communicate with me. I am Danella's husband of 42 years. I met, and fell in love, and married, your mother just before you were born. Please. You should know her. We both have thought of you so much, and for all these years.

Donivon Wood, This is Scott Bracken again. I just noticed that I wrote that "I met your mother just before you were born." Some years ago, I had a stroke, and these days I make mistakes like this, and don't know I have done so. I meant to write; "I met your mother just after you were born.
