“ Don's friends at the Nevada County Narrow Gauge Railroad Museum wish to send our condolences to his family. Many friends signed a sympathy card to the family and were so sad that it came back showing the wrong address.

Don was a wonderful docent at the museum and we want you to know that he is truly missed. He was always smiling and helpful with whatever was needed as a volunteer.

As an example, for a yard sale at the Narrow Gauge there were many heavy duty items outside waiting for the morning sale. Don stayed up all night as watchman! No one else had ever done that for us. Above and beyond his "pay" as he would have said. :))

May you know that he was well liked and appreciated by all here at the NCGRR Museum.

*Sincerely,
Arlene Siprelle
and
