“ My Aunt Doris was a wonderful woman. I actually looked at her more as my Grandmother than my Aunt. She always made me feel loved, and understood. Doris also enjoyed many years square dancing with her husband Earl. I remember spending the night when I was little, and playing with her Irish Setters. Her sister Elaine (my Mother) enjoyed many years of writing back and forth as pen pals while my Aunt Doris was still able. I was so glad that my Mother and I were able to make a trip to see my Aunt Doris and cousin DeeVee in the last few years, so that the 2 sister's could reconnect. I can never thank my cousing DeeVee enough for all of the years of dedication and care that she gave her Mother Doris. Doris would not have lived such a long life if it had not been for her. She will be missed, but I know there are a few people in heaven who were waiting for her with open arms. She was loved by many.
