“ *First off. . Thank you chapel of angels for posting about my mother" Doris" . Im the baby of the family "Mary" and yes I miss my mother .my heart is heavy with pain cause I didn't get to tell her that I was sorry for my wrongdoing through out my life and "I love you" mom. See you only get one mom in life . The one who loved&cared for you. I had two moms one who birthed me and Doris whom adopted me as a baby. Thanks mom. I love you....mary*
