“ Sooo a lot of time has passed since you left , and I just miss you so much❤️ I just wish I could see you again dad.... and I know everything happens so for a reason , and if you were still here you'd probably tell me something like “ god always has a plan and no matter what you just need to keep faith in him through it all” , I miss you lecturing me ❤️ I miss all your little pep talks and our trips to get ice cream 😔 I miss you're hugs , and I Mad at the fact that you left before watching me turn 18 or getting married or having kids and I'm sad about the fact that you won't be there for all those things but I will forever love you ❤️ And I'll always remember the great time we had And you were and amazing dad ❤️ I hope you're living it up in heaven dad ❤️ ~ love , you're little angel🌸

“ I remember when your Mom and Dad went out and we watched both Todd and Gary (you were babies) and Gary was clinging to the drapes crying for his parents. I remember so much with great happiness and extreme sadness.

Gary I know you're with The Lord and everyone who went home before you and now you've found everything you've searched for your whole life.

RIP my loving nephew - you are greatly loved and will be missed until we all meet again

“ I love you Gary, You were courageous, bold, compassionate, passionate, loved deep, cared deeper, I admired your strength and candor. I will do what I can to honor your life with some changes to my own. You loved your family, your kids meant the world to you. I know that your in heaven right now and watching over your kids with a huge smile on your face. On earth you lived a rough life, you suffered from pains but they are all gone now. And you are in the company of Christ, and your earthly father Gary. You are there now. But you will be missed here. Until the end my brother..
