“ I was very saddened to learn of George's passing. I'll miss talking to him as we walked Petyton through Condon Park. He was knowledgeable and sensible, and we shared enough interests that it was always easy to converse. His death was particularly shocking given his devotion to diet, exercise, and health.

Hello Craig, thank you for your kind comments about GR, he was a wonderful person, my best friend of 40 years and we shared raising together our daughter Beth. We grieve his loss immensely. Peyton recently succumbed to cancer also, she was a large dog with a sweet and gentle soul, we are are comforted by the thought they are reunited now.
