“ *I am so disappointed I will not be able to make it to the graveside service. I love my brother so much and will miss our time together on the phone. Brant, I really appreciate our conversations and all you have done for your dad, my brother. My prayers will be with the family during this difficult time. Love, Jo Ann (Rollins) Cook*

“ *I remember going to California on my first airplane ride after graduation in 1983 to spend time with Uncle Jack, Brant and Sean. He made sure we had a great time and even took us to Reno! Unfortunately, I have not seen him since and had only spoken on the phone with him. RIP Uncle Jack. May the angels take your hand and lead you home. My condolences to my cousins ...several of whom I have never met. Brant and Sean, my peace be with you as you move on. Love, Tharena (Cook) Sanford*
