“ I loved Jaime in high school. We shared a lot of laughs and good times. He was never mean. A lion heart on the field. He would share anything with you.

“ Jaime - Some of the best moments of my high school life and you were there. Just mention of your name brings a smile to my face. Your SMCHS class of 82 can't stop talking about you tonight. We all loved ya. Really sad to hear you're gone, but full of fun, great memories.

Some of the best moments of my childhood were spent with Jaime on the El Cerrito Oaks little-league team. Also, playing street-football as kids in the Berkeley Hills. You will be missed my friend, but your strong spirit is everlasting!
