“ Jan lived up the street from me in Pico Rivera, Ca. We graduated from El Rancho High School in 1965 and were in contact a few times since then, mostly at class reunions every 10 years or so. Jan was a great guy, a terrific athlete and an all around good person. I was stunned to learn of his passing at our fiftieth high school reunion. I worked with Jan when he ran for student body Vice President and helped him write his campaign speech. The speech was a dud and Jan lost that election. Always felt like I let him down, but actually Jan was way too honest and sincere to play political games. That ended my career in the field of politics and Jan's, too. Jan was a popular guy with an easy going personality. He was well liked, especially by the girls in our class. He was a polite, fun person and easy to be around,. It's a shame that he's gone - would liked to have seen him last year at the reunion and wish I knew what happened to him. My condolences to his family on the loss of the terrific guy who was a husband and father to them. I know he is missed.

I was just thinking of Jan today tried to look him up on Facebook and I googled him and saw this. I am so sad. We lost contact quite s few years ago. I remember our days at cal poly and working at DW grovers in Grover city in San Luis county. I can still his kidding voice. I wish I had looked for him 5 years ago. I still think we are immortal, but loosing people we never expect to changes that reality. If his wife or family sees this my heart goes out to you. Rindy
