“ Jeannie will be missed by so many, especially her CommuniCare family. I was fortunate to have been able to work with Jeannie and I appreciated the care she gave to her patients and the respect she showed to all. While I did not see Jeannie often in recent years, she always seemed in good spirits despite the challenges MS threw at her. Her husband was always by her side and I greatly admire his care and support for Jeannie. My thoughts are with her family at this sad time. Donna Paul
