Hello Steve,  
This was indeed the John Perillo that lived in Pleasanton in the early  
through mid 1970's. Somehow I am sure that his spirit appreciates your  
friendship and words.  
Thank you,  
Leonard Perillo (John's brother)

Thank you for getting back to me. John was an amazing person. I used  
to walk to school with him and go to his house and listen to him play  
the guitar.
