“ I was sad and shocked to see lovely Karen's photo in the Sonoma Index.
I am so sorry she passed away. I have not seen her in many years and yet she was always kind and truly like an angel in her presence. And she died so young.
If the family wants to share more, I would like to know more about it all. I hope she did not suffer. Katy Byrne can be found at katybyrne@aol.com
I know she would wish for you all to be at peace and I know she has the highest place in heaven.
