

## Kathleen Petersen

February 17, 1934 - May 18, 2015

On the evening of May 18, 2015, Kathleen "Kathy" Petersen passed away peacefully in her Nevada County, California home. She was 81.

Kathy was a devoted wife for almost 61 years to her husband Peter Petersen, a beautiful, loving mother to her two daughters, Susanne Petersen and Christine Drainville, and an amazing grandmother to her two grandsons Peter Drainville and Nathan Drainville. She just became the proud great-grandmother to Margaret Drainville in March 2015.

Kathy loved spending time with her family, gardening, going to plays, and made the best pound cake on the planet. She was gentle, kind hearted and had an enormous-infectious smile.

We are grateful to Hospice of the Foothills for providing the much needed support, resources and comfort during a difficult time.

As a family, we are honored to have called her wife and mother. We will miss her dearly and remember a life well lived.
