In Loving Memory of Kenneth L. Furlano

April 28, 1946 – August 20, 2025

Kenneth L. Furlano passed away peacefully in his sleep on August 20, 2025, in Grass Valley, California, surrounded by the quiet beauty of the place he called home. He was 79.

Born and raised in Los Angeles, California, Ken lived a life full of adventure, craftsmanship, and deep connection to those he loved. A gifted woodworker by trade, he spent much of his life building homes—not just structures, but spaces where families could grow and memories could take root. His hands were steady, his spirit adventurous, and his heart open.

Ken's life was a testament to curiosity and courage. He traveled the world with wide eyes and an open soul, even once hitchhiking across the country from California to Florida—chasing experience, connection, and the richness of life's unfolding journey.

He was the proud father of four beloved children: Jamie, Nicole, Fletcher, and Monique. His legacy continues in his seven cherished grandchildren: Andre, Sophia, Aspen, Mia, and Canyon, each a reflection of his love, warmth, and enduring spirit.

Ken was preceded in death by his loving parents, Luke and Bertha Furlano, and his dear sister, Tonie Ann Graber. Their memory remained close to his heart throughout his life.

Those who knew Ken will remember his kindness, his stories, his laughter, and the quiet strength he carried in everything he did. He leaves behind a circle of family and friends who loved him deeply and will miss him dearly.

His journey on earth has ended, but his legacy lives on—in the homes he built, the lives he touched, and the love he gave so freely.
