Ken was born in Southern California on Sept. 14, 1939, to Edward and Mildred Halpin. He was raised in the Mojave desert with his three brothers and one sister.

He was a simple man, who didn't say much, but meant what he said. He had a great sense of humor, loved to laugh, help others and was an honorable man. Ken enjoyed spending time with his friends and family.

Sometimes they would just go for a ride and other times it would be for a specific charity or cause. He very much enjoyed participating in the yearly Nevada County Christmas Food and Toy run.

He had many talents including, repairing motorcycles, vehicles, plumbing, electrical and really any sort of thing that came his way. When asked, he was more than willing to share his knowledge and advice.
