“ *Kishi is one of the most influential persons in my life and will continue to be even after this passing of his spirit into the whole of the world and universe. His guidance in ART and life at Holy Names College, now University, set me on a path which still continues in my 74th year.*

I know you, his family , will miss his physical presence and sparkling eyes, but I am sure your memories of the love he had for each one of you will keep him close.

*Much love,
Marilynn*
