so many memories over 50 plus years.you were the one who introduced me to Don when i was walking Linda down the street. and look what happened 6 kids and 40 grandkids later. you and roland were the only brave ones to have all 6 kids come for a visit at the same time at your house in grass valley without us.we loved camping at scotts flat lake. and then when you moved to grass valley we camped in your back yard with our tent trailer and peg and ed brought theirs too. you cooked the best vegetables.you would dance with the kids. we had so much fun at your house.so many memories. you will be greatly missed
