

MICHAEL "MYC" JAMES

December 16, 1951 - June 12, 2017

Michael (Myc) James finally blew this Popsicle stand, on June 12, 2017 in Folsom, CA. He was 65.

He left surrounded by music in the presence of his daughter Rachel, as beloved sister Linda Jo stood sentry.

Born December 16, 1951 in Wenatchee Washington, Myc loved animals, nature and was enamored with the moon and ocean. A singer/songwriter, he filled countless nights in the Foothills with his music. Sometimes lively, sometimes haunting, his exquisite voice rang through hundreds of ears and hearts over the years, provoking tears, laughs, and most importantly, making people dance.

Myc leaves behind his sister Linda Jo; two children, Rachel and Nathan James; daughter-in-law Jessica James; and his greatest loves, his grandchildren Marcelo, Erik, Emma, Alexander and Nikolai.

“ *I miss you every single day, and I'm so grateful to have your music, so I can hear your voice again any time I choose. It's not enough, but as long as I'm here, you're here.* ”
