“ I was blessed with the opportunity to work with Penny for the last eight years at Frontier, but during that time we bonded and became true friends. We shared a lot of things about our family...good & bad, but the best memory for me was when her grandchildren were born! She was so over the moon when it came to them! I can't leave out our trips to Reno though! Terry, Penny, my husband Rich & I made a couple trips up the hill together & we always had a real good time. I miss her so much, but I know she is resting peacefully & probably yelling "this is BULLSHIT" from heaven.

I love u Nickel, Dime , Penny!!!!

“ I worked with Penny at Frontier for many years, and she was sweet and did have a sense of humor. I remembor years ago we had a big union meeting and we all went. Terry worked there as well but he was not on our side of the dispute.. When it ended she said well I guess I will be sleeping with the enemy tonight. Georgiann Lacy

“ Penny & I worked together for 15 years. In that time, we became not only friends, but family. I loved her smiling face & delightful sense of humor. Her loving & caring nature was always evident in how she treated people. I loved how she would beam when she would bring in pictures of her family. They were her pride & joy. Whenever I see teapots or pictures of Hawaii, I always think of her. They were two of her favorite things. I miss my friend, but she left me with a bond that is never ending.

“ Penny was a beautiful person, inside and out. I worked with her for a total of 10 years and truly enjoyed her friendship. She always smiled and never and grumbled about a thing. She had a positive attitude and encouraged others to do the same... She always brought out the best in people, and I was blessed to have know her. She will be missed by many.... Rest in Peace Penny ??

“ I am blessed to have had Penny as my stepmother for nearly 33 years. I will never forget the love, guidance, and strength she taught. So many have said she was one of the most honest, happy, and caring souls they knew. Thank you Penny, for taking care of my Daddy and giving me 2 siblings to love.
