“ Rest in peace my old friend. I'll never forget our surfing trip to Mazatlan, Mexico in the late 60's with Don Cary. I'm sorry we lost touch over the years. My sympathies go out to your family.

Bob and I were friends in the late 60's. I remember going to Santa Cruz with him and Don Cary, and sitting at Don's dining room table making jewelry. I will remember Bob fondly. I am sorry for his loss.
