“ To anyone still reading this Obituary, I am Mary Deal, Shirley McKenna’s sister.

Together with our brother, Charley, and our friend, Jim Ketchum, we have located Shirley’s youngest son and introduced him to his family.

Now we seek to find the older son, Vincent Candido McKenna. If anyone reading this message can help locate him, we greatly care about his welfare and wish to find him.

Anyone may contact me at mdkauai@gmail.com or through Jim Ketchum’s information below. I cannot put a phone number because I am hearing impaired. We would greatly appreciate any information. Thank you.

“ Shirley and I were friends for over 40 years. I just confirmed her passing today. I will miss her a lot. We corresponded by mail, e-mail and internet cards and by phone very often.

She left me a message in late December probably a few days before her passing and seemed upbeat.

She was a real lady, tough as nails and I loved her like a sister.

RIP my dear friend. Maybe we will meet again.

I can always be reached at (909) 224-8212 or a jaykay100@gmail.com

“ Shirley was my best friend for 53 years. She was always there for me and she truly helped me through life. I am heart broken. We met in 1962 at UCSF when we were each having our first baby's. We were stuck in that maternity room for 2 months and it was Shirley who made it fun. I was 17 then. She has been a member of our family for all these years. I am now 71.
