“ Kendall I just heard about Tommy I am in shock. I don't know why no one told us here in Florida. I feel so bad for you and Janet, Tammy and Billy. You know I always had a special spot in my heart for Tommy. Life does give us way to much to handle at times. Please take care

“ Jan and family - so very sorry for your loss. Have thought about Tommy throughout the years but have never been able to locate him. Wish we could have reconnected. I will always love him and cherish the times we had together as a family.

“ *My sympathy goes out to Tom's family. I knew Tom back in 1987 when he worked at "The Hamilton Fitness Center" and had his motorcycle. We had a lot of great times with Tom. He made friends easy and was liked. I thought of him over the years a lot and was very upset to hear of his passing. Rest in Peace Tom.*
