“ I had no idea Thomas passed away :(I read of it today when I went to wish him a happy birthday. Thomas and I went to school together and he always had a special place in my heart. His mother was also my basketball coach at Bear River. He was my second kiss haha! Loved this guy so much and his amazing smile and laugh. Such a huge heart. My heart is saddened by this news and I'm praying that his family has come to some sort of peace. Heaven definitely gained an amazing angel.

“ I knew Thomas As a childhood friend of his brother Chris. I moved from Roseville to Auburn going into 6th grade and the Mcintosh family, Chris and Thomas, were my first friends. The basketball court brought us together and through the years Thomas would show up here and there....wherever and we would all play. He was like an older brother to me... always razzing someone or giving them a hard time, but it was always in good fun. I remember that he took my sister to her 8th grade prom when she didn't have somebody to go with :-). He will always be remembered as somebody with a big heart, an unforgettable laugh and smile.
