“ We love and miss you, Dad! Thanks for all the memories across 5 decades. We're thankful for the gift of your life and our family no matter what.

I will always cherish this picture of you from a fun night out with sis & I.

I can hear your voice saying, "Good bye Peanut, Love you, Honey." You had a twinkle in your eye and a giggle in your voice because you were so happy like many phone calls and other visits.

Rest in Peace with your soul safe in Jesus.
